**New Business**

1. CA Climate Investments Department of Forestry & Fire Protection Fire Prevention Grant update  
**Action:** AVCA to provide map for tree overlay, estimates of cost of tree treatments, type of treatments used, rate of return, frequency of treatments, and number of trees sprayed. If grant is issued and funds are not expended, no funds are due which allows for budget control, therefore AVCA to present to board to move forward with tree grant partnership and report back. Due to timing of the application submittal and to increase the likelihood of award of funds, the City would be the recipient of the grant as well as be responsible for the 25% match. However, between the grant submittal and award (approx. 6 months) City and AVCA staff will work to develop some type of reimbursement agreement that ultimately would require approval by City Council and AVCA Board. If the parties are ultimately unable to reach agreement, the City would simply return the grant funds and would not owe the 25% match.
2. 4<sup>th</sup> of July Parade & Celebration  
**Action:** AVCA board invited to attend presentation ceremony by Mayor Ackley.
3. AVCA Fireworks and summer concert series update  
**Action:** Members received an update that the AVCA board will receive a proposal to host the 4<sup>th</sup> of July and Summer Concert series virtually at the April board meeting.
4. Tree City USA Partnership  
**Action:** City to get clarity on conflicting information from Arbor Day Foundation on whether Aliso Viejo can qualify for the Tree City USA designation with AVCA trees. To be brought back to next meeting.
5. COVID-19 Sharing of Action Taken by Both Entities  
**Action:** Discussion ensued.
6. Dogs off Leash Enforcement in Parks and Animal Control Support  
**Action:** Discussion ensued.
7. Update on Vandalism of Ray De Leon Bench at Grand Park  
**Action:** AVCA ordered a concrete patch kit for the bench to repair bench and will have a vendor perform repairs upon arrival.
8. Thank you to OCS D for their presence at Woodfield Park after vandalism last year  
**Action:** Discussion ensued.
