

**TASER International, Inc.'s Sales Terms and Conditions
for Direct Sales to End User Purchasers
(Effective November 22, 2013)**

THE OHIO STATE UNIVERSITY (OHIO) for Quote Q-09347

These Sales Terms and Conditions apply to your purchase of all TASER International, Inc. ("TASER," "we," "us," or "our") products and services purchased directly from us. Products and services sold by us are expressly subject to and conditioned upon the terms and conditions set forth below. By signing a quote, issuing a purchase order, or accepting delivery of the product or service, you accept and are bound to these Sales Terms and Conditions. Any different or additional terms set forth by you, whether in your purchase order or another communication, are expressly objected to and will not be binding on us.

Return Policies. All sales are final and no refunds or exchanges are allowed, except as provided by state or federal law and as specified below for TASER® Citizen Products.

Exchanges for TASER Citizen Products. The citizen model products that are unopened and still in their sealed package may be returned or exchanged within 15 days from the date of receipt of the product for a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. Any product returned to TASER without prior authorization from us will be considered an unauthorized return, and you will not receive credit for the product and we will not ship the product back to you. Unless the product is defective or the return is a direct result of our error, we may charge a restocking fee of up to 15% of the purchase price paid, plus any applicable sales tax.

To return a citizen model product, you must first go to our website, www.TASER.com and obtain a Return Material Authorization ("RMA") number before the end of the applicable return period. We will not accept returns without an RMA number. See the Product Warranty, www.TASER.com, or contact us at 800.978.2737 (+1.480.905.2000 for International callers) for information on how to obtain an RMA number. You must ship the product to us within 5 days of the date that we issue the RMA number as follows:

- in the original product packaging, in as-new condition, along with any media, documentation, and any other items that were included in your original shipment;
- at your expense and insured (if you return the product uninsured then you accept the risk of loss or damage during shipment);
- with the RMA number clearly marked on the outside of the return packaging;
- with proof of purchase of the product (receipt, purchase order, or invoice); and
- with your name, address, and phone number of where to send the exchange item or the product credit or refund.

Upon receipt of your return, we will issue a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. For partial returns, your credit may be less than the invoice or individual component price due to bundled or promotional pricing or any unadvertised discounts or concessions. If you fail to follow the return or exchange instructions and policies provided by us, we are not responsible for product that is lost, damaged, modified, or otherwise processed for disposal or resale.

Quotes. A quotation is an offer to sell, is valid only for the products and services listed on the quote at the prices listed on the quote, and is subject to these Sales Terms and Conditions, all of which are deemed incorporated into the quote. The quote from TASER contains the entire terms and conditions associated with the transaction. You may accept a quotation by signing the quote, issuing a purchase order, or other writing expressing your intention to be bound. Any terms, conditions or writing within your purchase order or other writing addressing the subject matter of the transaction, will be for your internal purposes only and the terms and conditions contained therein will have no force or effect. If you have not signed a quote from TASER, then your order is subject to cancellation by us, in our sole discretion. We are not responsible for pricing, typographical, or other errors in any offer by us and reserve the right to cancel any orders resulting from such errors.

Prices. The price of the products and services are set forth in the quote specifically provided to you (if no quote was provided then the price is that set forth on our current price list or www.TASER.com). Prices do not include taxes, shipping, handling, insurance or other similar charges; any such charges will be added to the price or separately invoiced unless otherwise expressly indicated at the time of sale.

Payment Terms. Invoices are due and payable within the time period noted on your invoice, measured from the date of the invoice. We may invoice parts of an order separately. Where no credit has been granted to you or where credit has been withdrawn (in our absolute discretion) or for international sales, payment is required in full prior to shipment. Payment must be by credit card, wire transfer, or some other prearranged payment method. If we have reasonable grounds to believe that you will fail to comply with the payment terms or with the agreed credit terms, we are entitled to postpone or to refuse delivery of an order.

Taxes. Unless you provide us with a valid and correct tax exemption certificate applicable to your purchase and ship-to location, you are responsible for sales and other taxes associated with your order.

Shipping; Title; Risk of Loss. We reserve the right to make partial shipments and products may ship from multiple locations. All shipments are FOB TASER's facility and title and risk of loss pass from us to you on upon delivery to the common carrier by TASER. You are responsible for all freight charges. Any loss or damage that occurs during shipment is your responsibility. Shipping dates are estimates only. Delivery is typically 2–6 weeks after receipt of order or payment.

Excusable delays. We will use commercially reasonable efforts to deliver all products and services ordered by you as soon as reasonably practicable. In the event of interruption of any delivery due to causes beyond our reasonable control, including but not limited to force majeure, fire, labor disturbances, riots, accidents, or inability to obtain necessary materials or components, we have the right, in our sole discretion and upon oral or written notice to you, to delay or terminate the delivery.

Not For Resale or Export. Shipping of some our products out of the United States is restricted by U.S. federal law and neither the product nor its technology can be exported out of the U.S. without a validated export license issued by the U.S. Department of Commerce and a signed BIS-711 on file with us.

Regulations and Restrictions. You agree to comply with all applicable laws, codes and license requirements, and controls of the United States and other applicable jurisdictions in connection with the

use of TASER products and services including your acceptance of responsibility for the payment of any relevant taxes or duties. Please go to our website (www.TASER.com) or contact our Customer Service Department for a list of known regulations and restrictions regarding the sale, possession, and use of TASER CEW products. You are responsible for understanding and verifying all local laws, regulations, and restrictions.

Warranty Coverage. Our current warranty provisions, warranty exclusions, release, and any limitations of liability located at www.TASER.com are also applicable to your purchase.

Product Warnings. See our website at www.TASER.com for the most current product warnings.

Proprietary Information. You agree that we have and claim various proprietary rights in the hardware, firmware, software, and the integration of ancillary materials, knowledge, and designs that constitute our products and services, and that you will not directly or indirectly cause any proprietary rights to be violated.

Design Changes. We reserve the right to make changes in design of any of our products and services without incurring any obligation to notify you or to make the same change to products and services previously purchased.

Severable Provisions. If any provision of these Sales Terms and Conditions is found by a court of competent jurisdiction to be invalid or unenforceable, then the remainder will have their full force and effect and the invalid provision will be modified or partially enforced by the court to the maximum extent permitted by law to effectuate the purpose of this agreement.

No Assignment. You may not assign this agreement nor any related order and you may not delegate your duties under this agreement without our prior written consent which will not be unreasonably withheld. We may assign this agreement without your consent.

Entire Agreement. These Sales Terms and Conditions, along with the quote, sales order acknowledgement, and the applicable product warranty, license and service agreement(s), constitute the entire agreement between the parties. These Sales Terms and Conditions supersede and replace any prior agreement or understanding between the parties, including any oral representations concerning the subject matter of this agreement. Any prior or extrinsic representations or agreements, with the exception of the product warranty, any service and license agreement(s), are intended to be discharged or nullified.

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for
Law Enforcement CEW Products and On-Officer Cameras (U.S. and Canada) – for THE OHIO STATE UNIVERSITY (OHIO)
(Effective March 12, 2014)**

The following TASER International, Inc. (TASER) warranty provisions are applicable on all sales or transfers of TASER Law Enforcement Products, including conducted electrical weapons (CEWs), on-officer audio/video cameras and related accessories.¹ The term "Purchaser" means any purchaser, possessor, or user of the TASER brand products. BY USING THE TASER PRODUCT YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THE WARRANTY AS SET OUT BELOW.

Manufacturer's Limited Warranty²

TASER warrants that its Law Enforcement Hardware Products³ are free from defects in workmanship and materials for a period of ONE (1) YEAR from the date of receipt. CEW cartridges and Smart cartridges that are expended are deemed to have operated properly.⁴ TASER-Manufactured Accessories⁵ are covered under a limited 90-DAY warranty from the date of receipt. Non-TASER manufactured accessories are covered under the manufacturer's warranty. In the event any country or state imposes a longer express warranty term than

¹ The warranty does not apply to software or services offered for, by, on, or through the TASER.com or EVIDENCE.com websites. This warranty only applies to hardware.

² A product's estimated useful life or expiration date may not be the product's warranty expiration date.

³ TASER Law Enforcement Hardware Products include TASER X2, X26, and X26P CEWs, Simulation Handles assembled by TASER, TASER CAM and TASER CAM HD recorders, CEW cartridges, and Smart cartridges, AXON flex camera (including the universal magnetic clip), AXON body camera, Evidence Transfer Managers (ETMs), and EVIDENCE.com Docks.

⁴ Broken blast doors are not covered under TASER's limited warranty.

⁵ TASER-Manufactured Accessories include, but are not limited to: batteries; battery chargers; carrying cases; cables; docking bars; USB data download kits; headbands; holsters; mounts; DPM, XDPM, CDPM, PPM, TPPM, APPM, XPPM, TPM, and Shockwave Power Magazine modules; and the X-Rail mounting system.

that described in this warranty document, then the country or state's term will take precedence.

If a valid warranty claim is received by TASER within the warranty period, TASER agrees to repair or replace the product which TASER determines in its sole discretion to be defective under normal use, as defined in the product instructions. TASER's sole responsibility under this warranty is to either repair or replace with the same or like product, at TASER's option.

Optional Extended Hardware Warranty for AXON flex, AXON body, ETM, EVIDENCE.com Dock, TASER CAM HD, X2, X26, and X26P

The optional extended warranty, when available, may only be purchased at the point of sale of the product. The extended warranty runs from the date of receipt of the extended warranty through the balance of the 1-year limited warranty plus the term of the extended warranty measured after the expiration of the 1-year limited warranty. Purchaser may not buy more than one extended warranty for any one specific product. The extended warranty does not cover user-removable battery replacement, abuse, intentional or deliberate damage to the product, or force majeure during the extended warranty period.⁶ For customers who purchase an extended warranty TASER warrants it will repair or replace the TASER product, which fails to function for any reason not excluded by this warranty, during the extended warranty period with the same or like product, at TASER's option. Purchaser may not buy a new extended warranty

⁶ The manufacturer's limited warranty provides coverage for AXON flex camera, AXON flex controller or AXON body batteries that have failed or are exhibiting diminished capacity as result of a manufacturing defect. Under the extended warranty, replacement of the AXON flex camera battery is covered, but replacement of the AXON flex controller battery and AXON body battery are not covered.

for any replacement or repaired product which is replaced or repaired under the extended warranty.

Exclusions and Limitations

A replacement product will be new or like new and have the remaining warranty period of the original product or 90 days from the date of replacement or repair, whichever period is longer. When a product or part is exchanged, any replacement item becomes Purchaser's property and the replaced item becomes TASER's property. After the warranty period, TASER may, at its sole option, repair or replace a TASER product for a fee. A paid for out-of-warranty repair or replacement product comes with the manufacturer's limited warranty.

This warranty does not apply and TASER will not be responsible for any loss, data loss, damage, or other liabilities arising from: (a) damage from failure to follow instructions relating to the product's use; (b) damage caused by use with non-TASER products or from the use of cartridges, batteries or other parts, components or accessories that are not manufactured or recommended by TASER; (c) damage caused by abuse, misuse, intentional or deliberate damage to the product, or force majeure; (d) damage to a product or part that has been repaired or modified by persons other than TASER authorized personnel or without the written permission of TASER; or (e) if any TASER serial number has been removed or defaced.

To the extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law. TASER specifically disclaims any and all statutory or implied warranties, including without limitation, warranties of merchantability, design, fitness for a particular purpose, arising

**TASER International, Inc.'s Hardware Warranty, Limitations and Release for

(Effective March 12, 2014)**

from a course of dealing, usage or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this warranty document.

The remedies provided for in the above warranty are expressly in lieu of any other liability TASER may have. In no event will TASER be liable for any special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if TASER has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in this warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any repair to or replacement of any product under this warranty may result in a loss of programs or data.

Negligent Acts or Omissions

Each Party is responsible for any liability, claim, loss, damage or expenses, including without limitation, reasonable attorney fees, arising from its negligent acts or omissions in connection with its performance under this warranty. Purchaser is therefore responsible for any of its negligent deployment, use or misuse of the Products.

Purchaser Responsibilities and Product Registration

Purchaser should update product software and/or firmware as they become available through TASER, as well as perform periodic data uploads to EVIDENCE.com services or download/backup copies of the information, data, and/or video contained on the TASER product storage media to protect the contents and as a precaution against possible operational failures.

To register your TASER product, please go to www.taser.com/register. Registration of your product allows TASER to contact you with important product notifications and provides a record in case of product loss or theft. Registration is voluntary and failure to register will not diminish your limited warranty rights.

Warranty Repair Procedure

For warranty return and repair procedures, including troubleshooting guides, please go to TASER's websites www.taser.com/support or www.evidence.com, as indicated in the appropriate product user manual or quick start guide.

Failure to provide the required information for the returned product will delay the return of the repaired or replaced item. If Purchaser fails to provide the required information, including the RMA number, then TASER assumes no liability for loss of the returned product. Any TASER product that has not been paid for, when required, or for which the required information has not been provided during a period of 90 days after receipt of the TASER product by TASER is deemed abandoned and TASER may dispose of the TASER product without any liability, compensation, or further notification to Purchaser.

Before you deliver your product for warranty service, it is your responsibility to upload the data

contained in the product to the EVIDENCE.com services or download the product and keep a separate backup copy of the contents. During warranty service the contents of the storage media will be deleted and reformatted. TASER is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the product services. The product will be returned to you configured as originally purchased, subject to applicable firmware updates. Recovery and reinstallation of software programs and user data are not covered under this warranty. *If you require attempted data recovery this must be specifically requested (and a fee may be required) or the contents of your product will be deleted and the storage media reformatted in the course of warranty service.*

General

This warranty supersedes any prior, contrary, or additional representations, whether written or oral. This warranty is TASER's only hardware warranty and may not be changed or enlarged by any agent, employee, distributor, dealer, or other person. This warranty, including any extended warranty, is non-transferable.
