It is hereby agreed by both parties involved in the granting of this permit that the actual construction or adjustment covered by this permit shall be performed in accordance with the policies and procedures set forth in the Utilities Policies and Procedures Manual, State of Delaware, Division of Maintenance and Operations, in effect on the date of this permit. Work is to be begun within 30 days from the date of this permit and completed with as little delay as possible, the right to work under this permit expires 6 months from the date of issuance; it may be renewed or extended upon application.

The holder of this permit shall indemnify and save harmless the Division of Maintenance and Operations of and from all suits and damages arising from or on account of the construction or operation of its said poles, wire, pipe, conduits, appurtenances, etc. herein permitted on State rights-of-way.

Permittee shall call the Division of Maintenance and Operations Permit Section, (North District – 326-4679, Central District – 760-2444, South District – 853-1340) 24 hours prior to any installation on State rights-of-way.

Traffic Control shall be in accordance with the Delaware Manual on Uniform Traffic Control Devices.

Safety Permit

PERMIT ID: NC-0076-22SP

PROJECT NAME : #17 Camera

Program Manager Pole shall be placed no closer than 3 feet from edge of road pavement.
Pole shall not be set in sidewalk.
All poles shall be installed per DelDOT Right of Way Use Agreement dated 5 Aug 2022.
Applicant is solely responsible for ensuring traffic control devices are set up in accordance with Delaware MUTCD (Delaware Manual on Uniform Traffic Control Devices).

Applicant is responsible for ensuring all pedestrian detours are in accordance with Delaware MUTCD. Notify DelDOT Inspector if proposing to use escorted pedestrian flagger operations and rather than pedestrian detours.

Applicant shall provide uniformed law enforcement officer at all signalized intersections impacted by this work, to assist with traffic control.

Applicant shall coordinate with DelDOT Inspector and DelDOT Safety Officer prior to commencement of work, to coordinate lane closure requirements.
