Howdy Sir -

Got it! I am looping in the PD here to discuss further.

I am assuming you are the property owner/manager at [REDACTED], is that correct?

Once I can confirm that I can send over the approximate location of the installation and a cut sheet of the pole/camera for your review.

Thanks,

Good morning.

I was looking for more detail on the equipment, location, method of attachment, etc. Is there a cut sheet? Is the lease with you or the Niles PD?

Howdy Sir -

Unfortunately since these are PD purchased cameras I am limited as to what I can discuss with anyone outside of their organization.

It may be that you need to discuss directly with the PD in certain cases.

Is there something specific you wanted to go over?

Thank you!

Hailey,

Chief Boba forwarded me your contact information. Would it be possible to schedule a quick call to discuss the license plate reader cameras at our [REDACTED] location?
