

flock safety

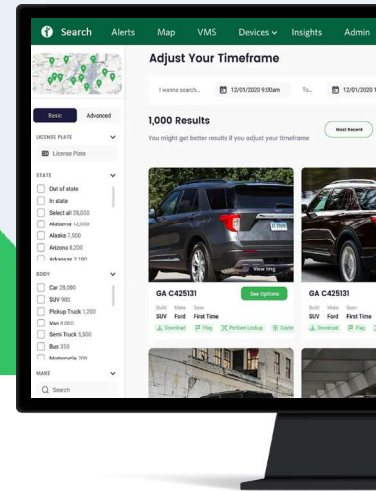

Protect your business, employees and customers with **Flock Safety**

Custom Hot List Hit

Now

Reason: Terminated Employee with Active Threat

Flock Safety's license plate reading cameras increase a business' ability to:

**Generate investigative
leads with vehicle data**

**Intercept threats
before they escalate**

Quickly solve crimes

Why businesses choose Flock Safety's solutions

Infrastructure-free

Easily deploy cameras around the perimeter of your business, including entrances, exits and parking lots

Vehicle Fingerprint™ Technology

Cameras work 24/7 to capture the vehicle evidence you need to identify and de-escalate threats

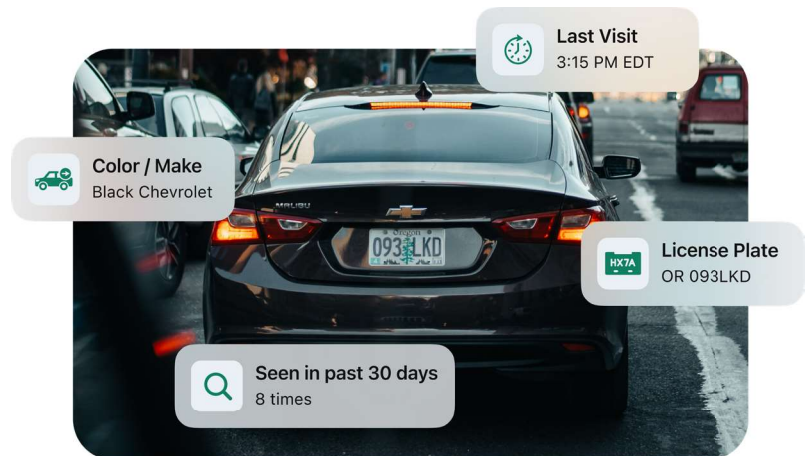

Real-time alerts

Automatically alert in-house security or law enforcement when a known offender enters the premises of your business

Subscription service model

Includes camera setup, installation, and maintenance for a turn-key experience
