Chief of Police Shatonya Johnson,

R/C is respectfully submitting the following information to document the number of Flock hit notifications that resulted in field contacts with vehicles for the month of December 2023. The information is compiled on a monthly basis and indicates the specific vehicles, the reason for the individual stops and the demographics of the subjects involved.

R/C has enclosed the attached pages that document contacts. In the month of December 2023, there were two (2) Flock contacts or attempts to contact the driver. Of those two incidents, there was a stolen motor vehicle E/B on Garfield at Harlem which was a white Volvo (RD# 23-7688). Officers responded to the area but there was no apprehension. The second positive Flock hit was a white Audi sedan (Invent# 23-00098307) that was involved in a shots fired call for service dispatched with the Chicago Police Department (CPD) at Cicero and Jackson in Chicago. That vehicle entered Oak Park at Austin and Jackson. The vehicle was subsequently stopped by the Forest Park Police Department at the I-290 and Harlem Avenue.
