Good Morning Judd,

We are looking to get a proposal for another property of ours.

Hampton Greens
4747 148th Ave NE, Bellevue WA 98007

Below is the entire property, NE 46th St is the access point for both parts of the property. We are hoping to use one camera.
Attached is the suggested placement for you to test for solar, there is also a lamp post there that may be utilized for direct power.

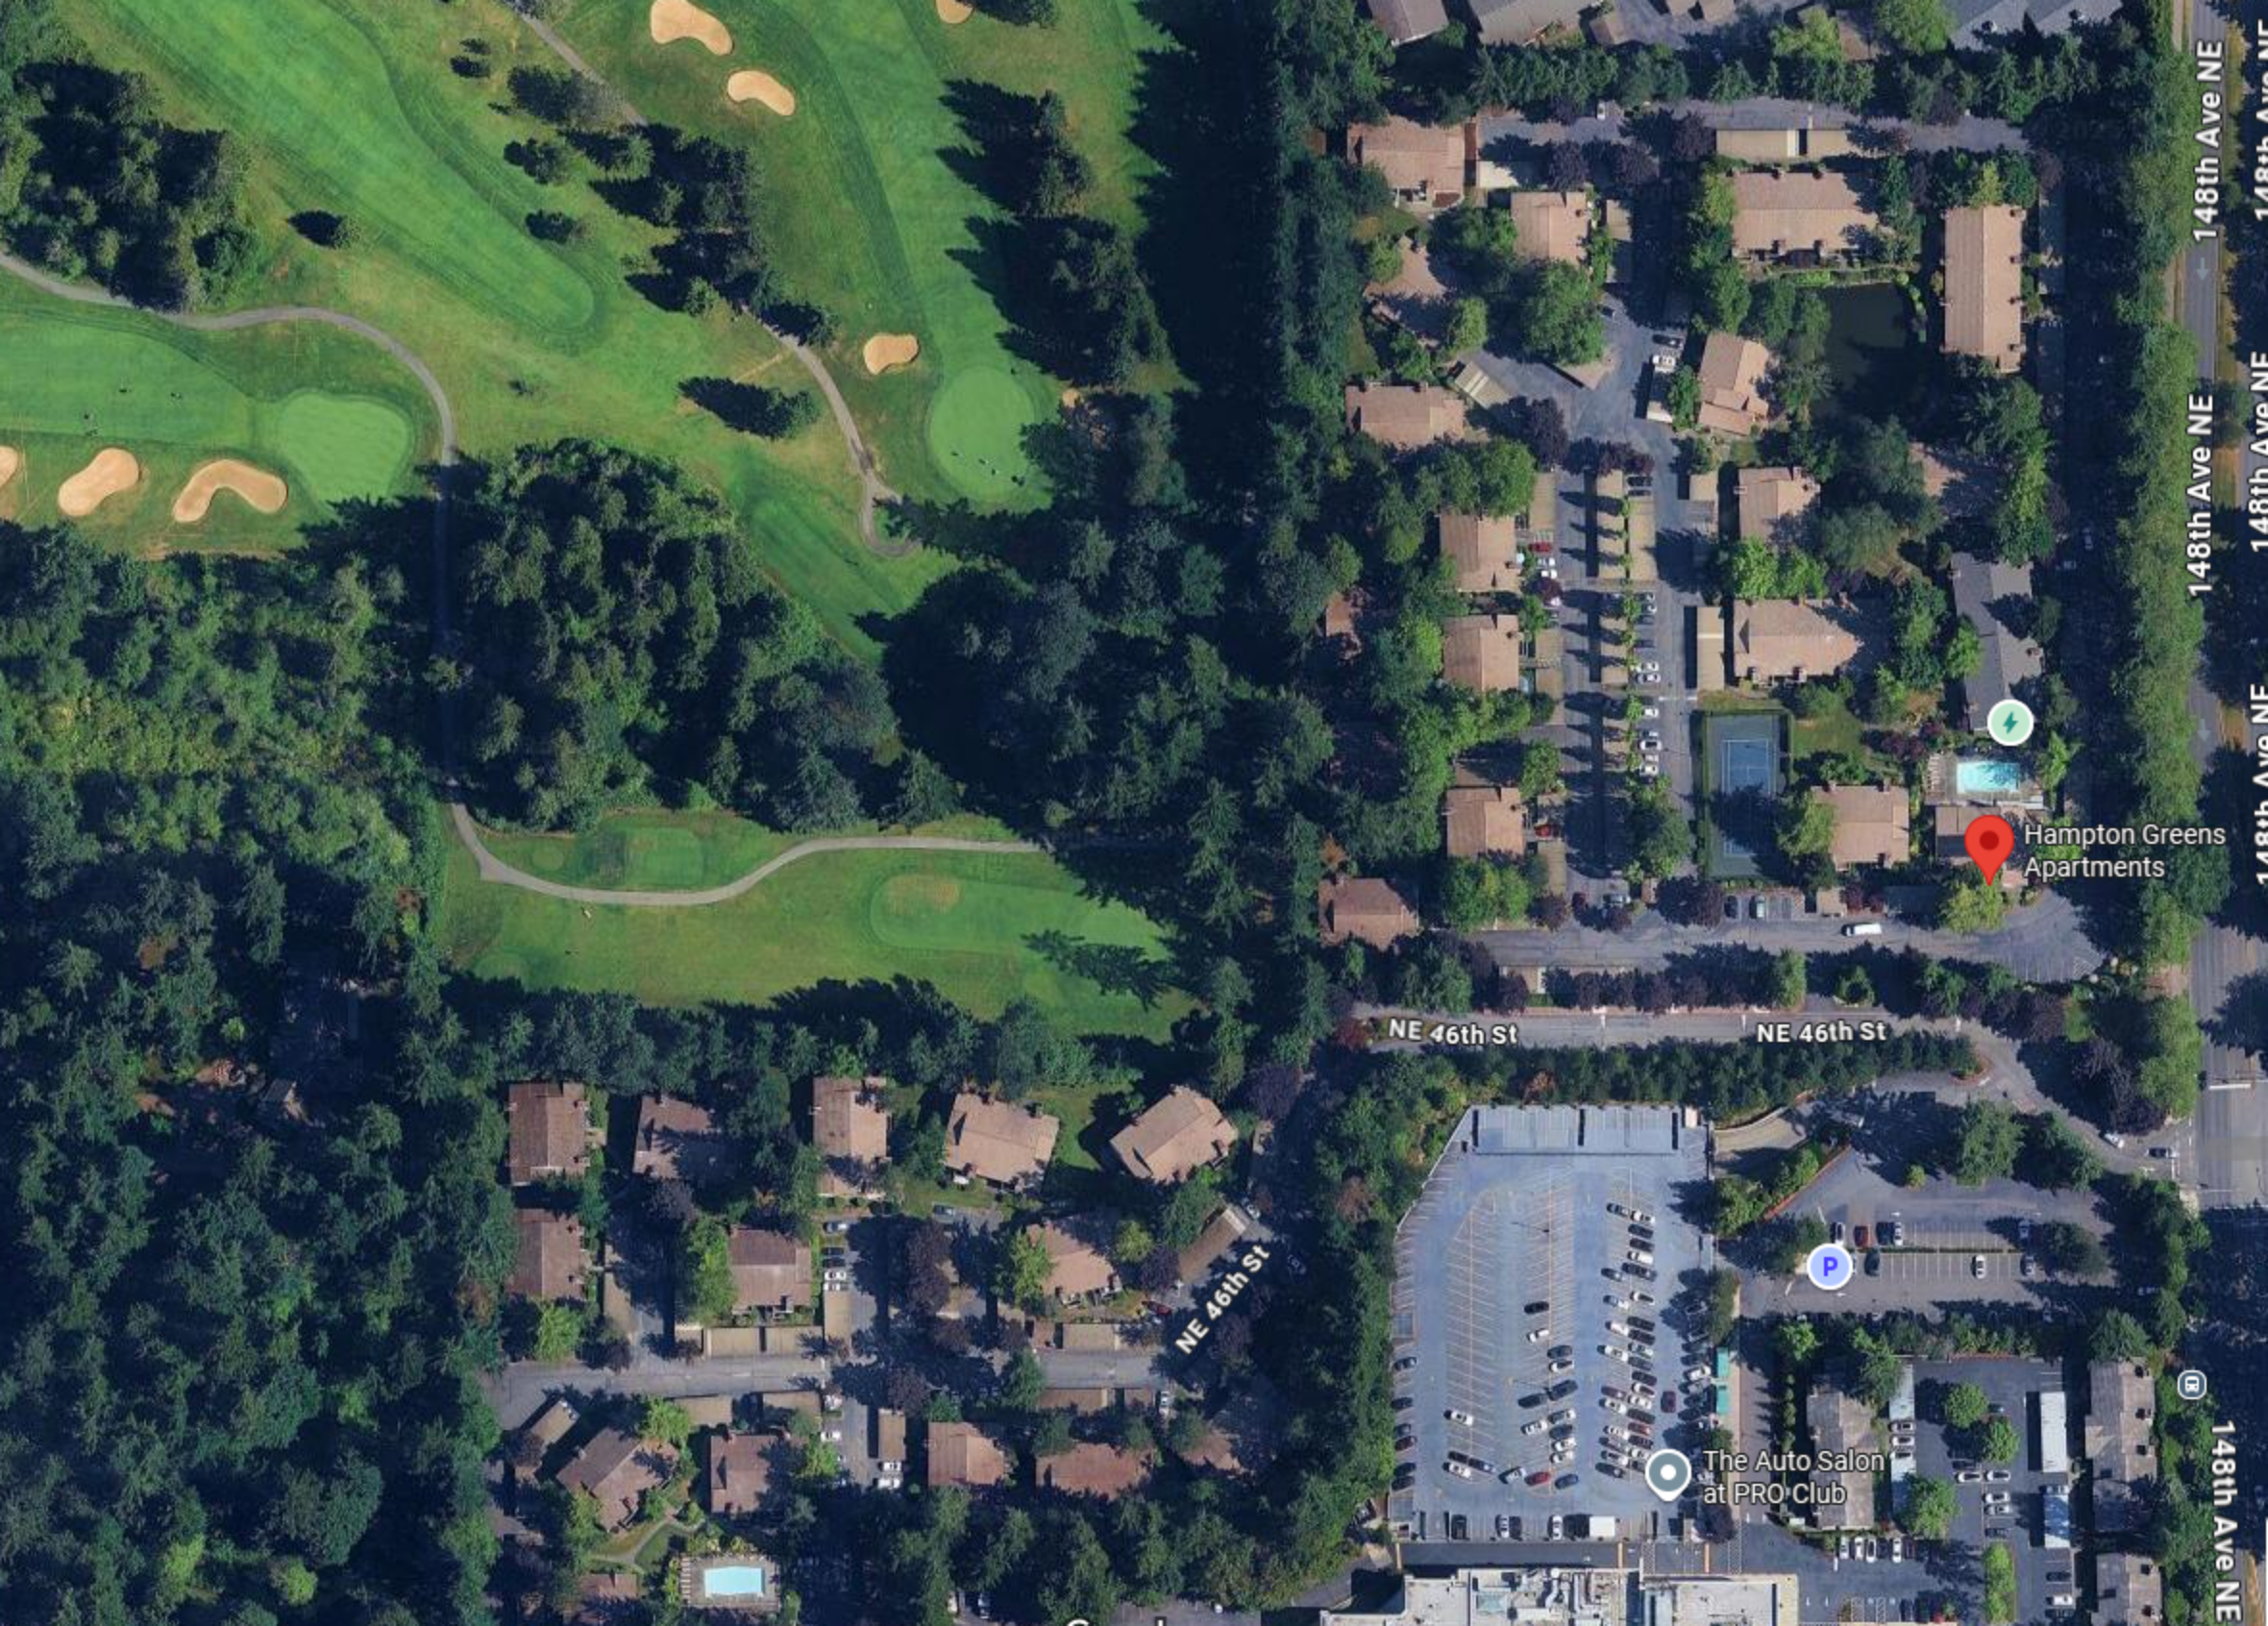

Let me know if you have any questions.

Thanks,
