Gentlemen!

Thank you again so much for your participation in Draft One and Axon Week! It really means a lot to me. I'm looking forward to seeing you all tomorrow.

For the Wednesday and Thursday breakout sessions, I will be talking for 10-15 minutes (including a 4 minute product walkthrough video). That should leave 30-40 minutes with you guys for a fireside chat.

Here are the questions I plan to ask. Always open to suggestions!

1. Introduce yourself and department. Talk to your report writing challenges.
2. What were your initial thoughts/concerns about Draft One before you used it?
3. What were your first impressions after trying it?
4. Talk about how you organized your pilot program. What were your metrics for success? (time, morale, quality)
5. What's been the feedback from officers since launch?
6. Talk about how you worked with your attorney's office. What's been their feedback?
7. What are D1's areas for improvement?
8. What parting words of wisdom would you have for other agencies or attorney's offices?

Can't wait!

If you need me for any reason, my cell is 914-260-7140.

Noah
